

Supply Lists

2016-2017 School year

Dear Families,

King of Kings is very excited to have your child join us in Preschool this fall. Our preparations for the classroom are under way. Several parents from previous years have mentioned that their preschooler wanted to buy school supplies just like their older brother or sister. Listed below you will find a supply list for the Preschool.

These supplies are used on a daily basis and/or need replenishing often during the school year. Thank you for any contribution to our supplies.

These are not personal items for each child; all classes will use them. You may take the items to your child's classroom. If you bring the supplies within the first week, it assists us in ordering supplies as the school year progresses. However, we would be happy to receive these items at any time during the school year.

All children will need to bring a backpack, 1 pkg. napkins, 2 boxes of Kleenex and 2 boxes of 5 oz. Dixie cups and including the supplies for their classroom listed below
